

ACT PREP

SCHOOL-BASED SERVICES

Affordable quality services to compliment your school's test prep plans and free-up your time! Choose to allow students to register directly with PATHworks!™ or handle registration in-house. If you select "in-house", you will receive an invoice for actual participation. We provide you with customized marketing materials, the option of on-line registration and weekly participation updates. We also offer alternative service structures to meet your unique timing needs.

Service	Description	Registration
