**Get your ACT Together!™** is an approach to standardized test prep that helps students deepen their understanding of standardized tests, improve active decision making, maximize scores and develop transferable skills to improve overall school performance. Our young people improve their outlook and determination to succeed as well as maximize their score.

**Get your ACT Together!™ Benefits:** Personal accountability, maximized ACT scores and increased commitment, focus and confidence. **MAXIMIZE YOUR SCORES!**

Call Patricia Smoot Wicks, MSW @ 330-861-4973 to schedule individual services or for more information.
